Hey **FIRSTNAME**,

I wanted to start off by wishing you a very Happy New Year!

As is tradition, many of us will be using the next few weeks to determine which areas in our lives we want to improve on.

Whether it's eating healthy, going on more adventure, learning new skills, you name it! All are good choices.

But we also wanted to help out by offering something we think will significantly improve your trading...

FREE 2-Week Access to our Active Trader Livestreams!

For those who aren't familiar, what does this include?

You will get access to **TWO live streams every. single. morning.** that the markets are open. This includes:

- Vu's Day Trading Stream (before the markets open at 6AM PST)
- Pat's Swing Trading Stream (after the commotion ends at 10AM PST)

Both Pat and Vu do an excellent job at preparing our Active Trader members to take advantage of the opportunities they spot, as well as analyze what they see happening in real time.

This insight has led many of our students to attribute more gains and a better understanding to attending these livestreams.

Access to these on a daily basis are extremely valuable to both day and swing traders.

Since we are so appreciative of how amazing our community has been in 2021, we wanted to give back and help you start the year off strong.

That's why we are offering a 2-week FREE TRIAL to the Active Trader Livestreams — exclusively to Expert Trader Students.

To redeem, fill out the form with your name and email below and you will be added to all the live Zoom calls for the next two weeks:

<https://forms.gle/yc76u7tJLnY359k67>

The reason we wanted to share this with you is because the New Year is the time to become better versions of ourselves.

I am confident that joining Active Trader is the way to become the best trader you can be.

So join while you can...

This free trial will ONLY be offered until Monday, Jan. 10th.

After that, I cannot guarantee that we'll offer such exclusive access like this ever again.

[FILL OUT THE FORM HERE](#) & begin your 2-week trial as soon as possible.

Become your best trading self.

Happy New Year,
Timothy Luong
